Como, 11th July 2005

Dear Artist,

The Association Arte&Arte would like to thank you for your interest in the exhibition "2005miniartextilcomo".

The jury, composed of the art critics and historians Susannah Handley, Luciano Caramel and the artist Marisa Bronzini, which met on the 6th July 2005, has carefully evaluated and judged the works of art sent by 211 artists from 32 countries. After having determined the criteria to be judged (dimension, connection with textiles, originality and technical ability) the jury selected 56 works.

We have the pleasure to inform you that your work has been selected and will therefore be exhibited with the other 55 works at the 15th edition of "2005miniartextilcomo".

We kindly ask you to send your work immediately.

May we remind you (see Conditions of Participation no. 6), that "The deadline for all selected works is the 20th July 2005. The organization wil not pay customs duties. We advise artists to send their work as a "sample without value". Those works with additional customs or postal charges to pay will not be accepted".

We will be sending you at the beginning of September an invitation to the inauguration which will be held on the 24th September 2005 at 11.00 a.m.

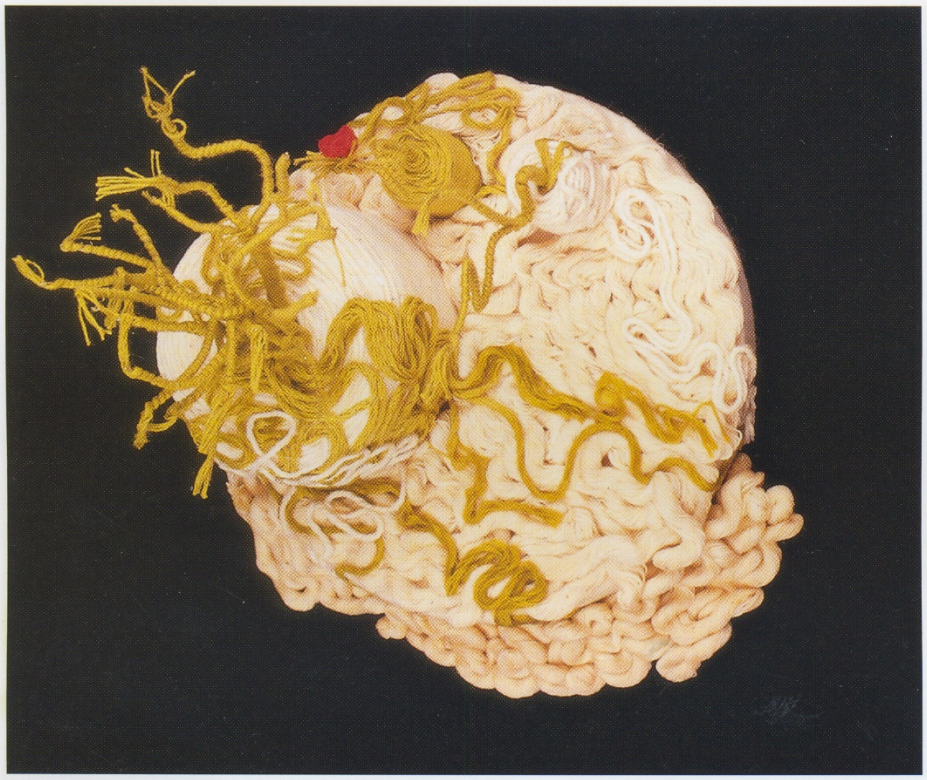

We congratulate you on your work and hope to meet you at the inauguration.

Yours sincerely,

Nazzarena Bartolaso
