Corrigendum

The Association between Subjective Cognitive Functioning and Quality of Life in Bipolar Disorder

S. Mackala, S. Ahn, C. Hıdıroğlu, E. Michalak, L. Yatham, I. Torres

---

The authors wish to highlight some important corrections for the article *The Association between Subjective Cognitive Functioning and Quality of Life in Bipolar Disorder* (10.1093/arclin/acu038) published in Archives of Clinical Neuropsychology Volume 29, Issue 6 as follows:

One author name was listed in the incorrect order. The text should say Ivan Torres, not Torres Ivan.

Please note this edit does not change the conclusions of the paper or the co-authors.

Published by Oxford University Press 2015.
